## All concerts take place at the Court of the Wrocław Arsenal

Ladies and Gentlemen,

We are kindly inviting you to the 12th edition of the Chamber Music Festival „Arsenal Nights“. Between June 27th and July 13th you will be able to listen the beautiful works of the world chamber music.

The Arsenal Nights are admirable entertainment that enable the audience to associate with fine and professionally executed chamber music performed in the surrounding of unique and majestic architecture. The Arsenal's court hosted many Polish and European musicians famous for their interpretation.

Since 2001 for the time of the Festival the organizers put up the tents at the Arsenal's court as a shelter against any occasional and unexpected showers. In the event of poor weather conditions which make playing music in open-air impossible, the concerts are transferred to one of the Arsenal's hall.

They are quite elevating Nights...
